Some villages/towns are not included on our designated pick up routes however we will endeavour to pick you up at a central point within these villages/towns. This will be subject to an additional cost of £10.00 per pick up/drop off.

Please note: Whether a charge is applied depends on the scheduled route of each specific tour. We endeavour to route the coach/feeders along the most efficient route for everyone.

If you require a full list of our pick up points these are available upon request.

Where a morning departure is specified in the itinerary this may be from any time after midnight on the day of departure.

Coach information:

There is a strict no-smoking policy on board all our coaches (including E-cigarettes). However, there will be plenty of comfort stops en-route to cater for our passengers who do smoke.

All passengers are now required by law to wear your seat belt at all times when the vehicle is in motion.

Customers own alcohol cannot be consumed on our coaches.

In the interest of your fellow passengers no hot food or ice cream is to be consumed on the coach.

Our tour coaches are equipped with drinks facilities/DVD players. It is up to the drivers discretion when/how these facilities are used and should not be touched without consent from the driver.

To ensure the comfort and safety of all our passengers we regret we are unable to carry cool or freezer boxes on the coach due to the limited storage space available.

Coach seats are allocated in order of receipt of bookings. If you request a certain seat, which is not available, you will be allocated the nearest alternative. We reserve the right to allocate seats other than those booked where a situation necessitates, therefore we cannot accept any booking where specific seats are a condition. When seat numbers/positions are changed no compensation will be offered.

Single passengers will be allocated seats together. Should the need arise at any time before departure the allocated seat number may be changed to maximise utilisation of seating available. You will be notified of the change but no compensation is payable in such an event. If you feel you require two seats, then a supplement will apply which must be paid in advance. Once the tour has begun and everyone has boarded the coach, if there are free double seats, single passengers may use these.

Due to driving regulations our driver must have the appropriate breaks. All passengers must disembark the coach at comfort stops and at destinations to accommodate this.

Coach configuration – We will always use our reasonable endeavours to provide a coach to the specification in our brochure/advert, but reserve the right to substitute an alternative vehicle should there be unforeseen circumstances. Travelsure reserves the right to downsize/upsize the coach and the carrying capacity to preserve cost efficiency and passenger comfort.

Please note on different styles of coaches the seat arrangements may vary. If these vehicles are allocated to the tour we will endeavour to allocate you seats in the same position, which may result in your seat numbers changing.

Feeder coaches – it may be necessary to use feeder coaches (mini-buses or standard coaches) or taxis to transport passengers to and from pick up points. Coach seat numbers do not apply until joining your tour coach. Please note that feeder coaches will not have all the facilities of our touring coaches.

All children (inc. infants aged 2 or under) must be allocated a coach seat. Under EU regulations all children travelling in coaches/buses/mini-buses are required to use an appropriate child restraint or adult seatbelt. Travelsure are unable to provide car seats/booster seats.

Pets – we do not allow pets or any other animals on our tours. We can accommodate registered assistance dogs, but not on overseas holidays.

Special requirements/hotels:

Any special requirements made by clients will be accommodated wherever possible, however we do not guarantee that they will be met at either the hotels, ferry or coach. Amenities described in our brochure are normally available for the enjoyment of our clients. However amenities such as lifts, swimming pools etc. do require cleaning and servicing thus limiting their availability.

All special needs and requests, if agreed, should be entered on the booking form and be included in the confirmation of the holiday.

We are keen to ensure that we plan the arrangements for your holiday so that special needs and requests can be accommodated as far as possible. We will need to know if you will need special facilities in the hotel, taking part in the excursions or have difficulty boarding and travelling on the coach or other means of transport. Before booking your holiday, you should be sure that you and your party are both physically and mentally capable of completing the itinerary. If you need advice or further information, you or your booking agent should notify our booking office. If you will require a special diet please tell us at the time of booking, or as soon as you are medically advised.

All hotels are booked in good faith and checked either by ourselves/wholesalers when compiling our brochure. We accept no responsibility for deterioration of hotel standards due to a change in ownership/management/staff.

In many hotels clients may be asked to share tables in restaurants. Many European hotels do not offer tea/coffee facilities in your room and such beverages may incur extra costs.

All main hotels used have en-suite bedrooms, restaurant and bar unless stated in the tour description.

On continental holidays a twin room will often consist of a large base with two separate mattresses, and a triple room will often consist of two beds and a foldaway or bunk bed.

Single supplements – we know the subject of single room supplements is controversial, and so we only pass on to you what we are charged by the hotel. The relevant supplement is shown in the price panel for each holiday. Most hotels have a limited number of single rooms available. Occasionally we can obtain single rooms, on request, over and above our original allocation, however these may carry an additional premium above any supplement already shown in the price panel.

Holidays for all:

Disabled passengers – we try to provide holidays that everyone can enjoy, but we do recognise that not all our holidays will be entirely suitable for people with disabilities, poor mobility or special needs. Some coach tours involve a great deal of travelling and hotel changes and it is not possible for our drivers to provide a sufficient level of care, particularly in cases of mobility problems.

We are happy to advise and assist you in choosing a suitable holiday. But, as some of the accommodation and resorts featured may not cater for even minor disabilities, it is important that, when booking, you advise us of any disability, specific need or complex need you may have and any special requirements that will make sure the holiday is suitable.

You must tell us if you have an existing medical condition, disability or complex need that may affect your holiday or other group members' enjoyment of it, before you book your holiday. We reserve the right to request a doctor's certificate confirming the passenger is fit to travel. If, in our reasonable opinion, your chosen holiday is not suitable for your medical condition or disability, we reserve the right to refuse your booking.

If each passenger who has a disability is accompanied by a companion who is able to provide necessary assistance, and the five steps can be negotiated when boarding the coach, then you are most welcome. We would ask that passengers travelling with wheelchairs/mobility scooters are accompanied by a companion.

Luggage allowance:

One medium sized suitcase is permitted per person (max weight 18kg/40lb). It should also be noted that due to limited overhead luggage space we request you keep your hand luggage to a minimum for your own comfort.

We cannot accept responsibility for loss or damage to luggage unless through our negligence. Please do not leave valuable items in your suitcase when left on the coach.

It is preferable, for couples travelling together, that they bring two smaller cases rather than one overweight case.

We reserve the right to refuse any bulky or unusual articles on the basis of weight, size or shape, unless notified and accepted in writing by us at time of booking. No dangerous, contaminatory or pressurised items can be carried and you must declare to us any item you feel might fall into this category.

On tours with overnight accommodation/overnight ferry crossings we ask our passengers to bring an overnight bag which will be stored at the front of the luggage compartment. This will be unloaded instead of your main suitcase.

Wheelchairs & Scooter:

Wheelchairs – We will carry folding wheelchairs in the luggage compartment but space restrictions mean we can only carry two wheelchairs per tour. These will need to be stowed by yourself.

Mobility scooters – We can only carry light weight 3-wheel scooters. These will be carried in the luggage compartment but space restrictions mean we can only carry one per tour.

It is imperative that any requirements for large or bulky items is notified to us at the time of booking in order that we can safely monitor our load factors. Any large/bulky items not advised of prior to travel may be refused.

Passengers with mobility scooters may be asked to meet the main coach at a central point or alternative pick up point due to limited luggage space in our feeder vehicles.

Passengers travelling with wheelchairs/mobility scooters must be accompanied by a companion who will be responsible for the item and can physically load it in/out of the luggage compartment. Our driver will assist with the loading of wheelchairs/mobility scooters however they will not lift the item on their own for health & safety reasons. In many resorts you are able to hire mobility scooters on site.

Lost property:

We accept no responsibility for any items left unattended on our coaches. Lost property will be kept at our depot for a period of time. Should you feel you have left personal items on any of our vehicles please telephone for assistance. Items which have to be posted will require pre-payment for postage.

Passenger Behaviour:

We want all our customers to have a happy and carefree holiday. You are responsible for your behaviour and hygiene and the effect it may have on others. If you or any other member of your party is abusive, disruptive or behaves in a way that could cause damage or injury to others or affect their enjoyment of their holiday or which could damage property, we have the right to terminate your contract with us and we will have no further liability or obligation to you. If you are refused boarding on the outward journey we will regard it as a cancellation by you and we will apply cancellation charges. If the refusal is on your return journey, we have the right to terminate the contract with you.

Medical treatment abroad:

EHIC cards – Passengers travelling to the continent should carry an EHIC card which entitles you to free or reduced cost emergency state medical treatment in the EC. To apply either pick up an application pack from the Post Office, apply on-line at www.nhs.uk or telephone EHIC applications on **0300 3301350**.

This is not an alternative to holiday insurance.

Health & Safety:

In some foreign countries, standards of infrastructure, safety and hygiene may be lower than those to which we are accustomed in the UK. You should therefore exercise greater care for your own protection. There may be countries that we visit that have special medical requirements for tourists. These regulations are subject to change and our clients are responsible for complying with entry and current health requirements. If you are not sure of the health requirements for the country you are visiting, you are advised to check with your own GP before travelling. You are also advised to refer to the Department of Health leaflet 'Health Advice for Travellers'.

Some people may be at risk from discomfort or deep vein thrombosis (DVT) if they remain immobile on a journey for a long period. If you have ever had DVT, pulmonary embolism, a family history of clotting conditions, cancer or treatment for cancer, stroke, heart or lung disease or if you have had major surgery in the past three months and are planning to undertake a journey of more than three hours, you should consult your doctor.

We reserve the right to refuse any booking in the absence of a doctor's certificate confirming that you are fit to travel. Where we provide comfort stops you are encouraged to walk around. Exercise reduces any discomfort, which may be caused by periods of immobility.

Complaints:

Any complaints should be made during holiday to your driver/courier/hotel reception so that they can do their utmost to resolve the problem immediately. If your complaint cannot be completely resolved locally, you must complete a Holiday Report Form, which can be obtained from your driver. This should be completed and signed by yourself and our driver then retained by yourself. If you feel your complaint is not being dealt with you should contact the Travelsure office for assistance (01668 219291). If you remain dissatisfied please follow this up within 14 days of your return home by writing to Travelsure, Station Road, Belford, NE70 7DT. Please include all relevant information including holiday details & your contact details and please include a copy of the Holiday Report Form. Complaints will be answered within 14 days of receipt. It is a condition of this contract that you communicate any problem to the supplier of the service and your driver whilst in resort and obtain a written report form. If you fail to follow this simple procedure, we cannot accept responsibility as we have been deprived of the opportunity to investigate and rectify the problem.

Should your complaint not be resolved and you wish to pursue the complaint further the Bonded Coach Holiday Group have an Alternative Dispute Resolution scheme and full details are available from BCH/CPT. Please contact them at, the Confederation of Passenger Transport, Fifth Floor South, Chancery House, 53-64 Chancery Lane, London, WC2A 1QS

Denmark

Fairytales and Vikings

Mon 6th Sept – Wed 15th Sept 2021

New for 2021 we visit one of Europe's smallest countries, Denmark. Spread across a number of islands, it offers picturesque countryside, a long coastline and plenty of Scandinavian charm. Our two centred tour is based in the beautiful and historic town of Odense, the birthplace of Hans Christian Anderson and the Danish capital, Royal Copenhagen.

Our tour begins with a relaxing overnight ferry cruise from Hull to Rotterdam and an overnight on a half board basis in Hamburg.

Included five nights accommodation on a half board basis in Denmark (2 nights in Odense and 3 nights in Copenhagen).

Tour highlights include:

- Guided tour of Odense, following in the footsteps of Hans Christian Anderson.
- Stop in Roskilde, one of Denmark's oldest cities with an option to visit The Viking Ship Museum.
- Guided tour of Copenhagen with a 1 hour cruise through the city's canals and harbour.
- Fascinating excursion visiting the magnificent Oresund Bridge to Sweden, the open-air museum in Lund and Hamlet's Kronborg Castle.

Return overnight in Bremen, Germany and overnight ferry from Rotterdam to Hull.
